Natal B010 — Photo Shoot Plan (late Nov)

a6400 · 18-200 · Rokinon 12mm · Godox TT350 + XProII-S · tripod · polarizer | Download to **photos-original/Nov-2026/** (keep RAWs)

Camera setup (once)

- RAW+JPEG · ISO 100 · f/8 indoors · fixed WB (Daylight)
- 12mm: **Release w/o Lens = Enable**, Focus Peaking on. At f/8 focus at **~1 m / 3 ft** → sharp 0.5 m to infinity
- Drive: **Cont. Bracket 3 fr, 2.0 EV** (5 fr if bright windows) + self-timer during bracket 2 s
- Level gauge on (DISP). Camera level — never tilt. Shoot horizontal.

Gear use

- **Interiors:** tripod chest height (~4 ft; lower in baths), 12mm, bracket
- **Flash:** TT350 on shoe, head up/back, bounce ceiling, TTL −0.7. Shoot one bracket **without** and one **with** flash
- **Big rooms:** XProII on camera, TT350 off-camera on counter out of frame, bounce into corner (match CH/group)
- **Baths:** bounce flash; also 1 frame with room lights OFF (kills orange cast)
- **Shaded patio/terrace:** HSS fill flash
- **Details/food:** 18-200 at 50–135mm, f/5.6, handheld
- **Polarizer:** outdoors only, rotate for turquoise water. OFF indoors & for skies on 12mm. Take 1 frame without it.

Stage every room

- All lights ON · curtains OPEN · fans & TV OFF
- Hide cables, remotes, bags, cleaning supplies · remove bed-frame tags
- Beds tight, pillows, throw · towels folded · toilet lids down · doors closed
- Fresh flowers / fruit bowl on table or counter

The unit — top priority

- ☐ **1 COVER** — patio + dipping pool at **blue hour** (15–30 min after sunset ~5:30 pm), all lights + pool light on. Leave space lower-left for headline
- ☐ **2** Patio + dipping pool, sunny day (note when sun hits pool) · polarizer
- ☐ **3** Living room — from corners, 2 angles
- ☐ **4** Living → dining → kitchen view
- ☐ **5** Kitchen overview — under-cabinet lights on, counters clear
- ☐ **6** Primary bedroom from corner
- ☐ **7** Bedroom looking out to dipping pool — flash to balance inside/outside
- ☐ **8** Second bedroom
- ☐ **9** Both bathrooms — from doorway, straight on
- ☐ **10** Covered terrace + wicker chairs, daytime
- ☐ **11** Workspace *(missing)*
- ☐ **12** Washer/dryer closet, tidied *(missing)*
- ☐ **13** Details 6–10: coffee station, towels on bed, macramé, plants, smart lock, "Natal" towel

The complex

- ☐ **14** Main pool + palapa, sunny midday, from upper balcony · polarizer
- ☐ **15** Gated entry / parking
- *Keep as is: night pools, clubhouse, gym. Rooftop pools are private — skip.*

Around Tulum

- ☐ **16** Cenote — 12mm wide (water color) + looking up at light. Late morning. Ask about camera fee/tripod; else ISO 800–1600 handheld
- ☐ **17** Restaurants/cafés (La Veleta, Aldea Zamá) — storefront, interior, dish/drink. Ask first; **write down names**
- ☐ **18** Shops — textiles, Talavera, crafts, signs
- ☐ **19** Beach, sunny day · polarizer
- ☐ **20** La Veleta street — bikes, cafés, trees
- ☐ Phone: Wi-Fi speed test screenshot · floor plan from developer

Schedule
Day 1 — stage unit, scout sun on patio pool, **#1 at blue hour**
Day 2 — mid-morning interiors **#3–13** (sun not in windows)
Day 3 — midday **#2, #14** · another late morning: **cenote**
Evenings — restaurants, shops, street
